PANSY PLANTS

No doubt we are one of the largest growers of Fine Pansy Plants for the trade, shipping millions of them each Fall from coast to coast. All plants are outdoor grown on our own farms. Pansy Plants are ready after Sept. 5 until we freeze up, which is about Thanksgiving day each year. If you handle Pansy Plants for lining out or for counter trade you cannot find finer stock anywhere in the country.

Quantities in fields	Per 1000
350,000 Maple leaf Giants mixed	\$6.00

WEST COAST GROWN BULBS

Iris Wedgewood from the West Coast are far superior to the Holland grown which you can buy much cheaper. Our West Coast Iris always bloom 2 weeks earlier and give 100% satisfaction. Ask any florist who forces them for cut flowers. Also the King Alfred Daffodils from the West Coast are superior to Holland grown, give more blooms and bloom 2 weeks earlier, which means higher market prices.

If you would like to receive our
Begonias, Gloxinias, Lilies, Cannas,
Dahlias and Gladiolus List
Drop Us a Card

August, 1953.

Dear Brother Florist:

Time again to mail you our wholesale Bulb and Plant List. Our Holland Bulbs are the finest Money can buy. We are from Holland and know all the best reliable growers. Our prices are always very low due to large importations and small overhead at our packing house.

Our Terms are always cash or C. O. D. or must furnish the best references for 30 days credit.

No charge for boxes or packing.

You only pay our list besides freight charges.

For Parcel Post shipments add enough post-

age; if overpaid we will mail refund cheques within 24 hours.

If you would like to get our Fall List of Lilies, Cannas, Tuberoses, Gladiolus, Begonias, Dahlias, Gloxinias, etc., be sure to notify us and we will keep your name on our regular mailing list.

We mail lists from time to time and quite often we have special bargains on surplus lots.

Our motto: "*Always None but the Best.*"

We are one of the largest growers in Michigan for Pansies, Violas, English Daisies, Sweet William and Perennial plants — shipping 4 to 6 million plants each Fall.

Yours for Better Bulbs and Plants.
